Henderson, Nevada

SUMMARY

A detailed and dedicated professional with a passion for learning, teaching, and organization, I use good judgement, good communication and a strong work ethic to meet all goals and objectives. With a passion for art and storytelling, and a vast history in live theater and film, as director, performer and technician, creativity, discipline and team leadership are baked into my core.

SKILLS

-Video Production / Editing: Skilled in video and sound editing and motion graphics on DaVinci Resolve, Adobe Premiere, Adobe Audition, and AfterEffects, as well as well as camera operation, lighting and sound. Produced, directed, shot and edited various short digital video productions for Disney, Universal Studios Hollywood, Chuck Jones and other independent projects.

-Technical: Designed, produced and assembled numerous Audio/Visual presentations and events. Sound Engineer and board operator for many theatrical and film productions of various scales. Produced, directed and designed several stage and motion picture projects.

-Customer Service: Diligent and reliable in organization, and administration. Experienced in honest personal communication, building lasting rapport with people through clear listening and direct conversation; discovering the true intention of a customer's needs.

-Management: Accomplished in various forms of leadership, including: Project and Production Management, Team Supervision, Direction for Stage and Film, as well as Public Education.

-Software: Knowledgeable and capable in both Mac and PC: MS Office (Word, Excel, Publisher, PowerPoint), Apple iWork (Pages, Numbers, Keynote), DaVinci Resolve, Adobe CC (Illustrator, Photoshop, InDesign, Acrobat, etc.), DaVinci Resolve, Premiere, Audition, AfterEffects
